Letter from E. Bennett Esquire. I.C.S., Collector of Bellary, Ref. C.No.6266/29-A.4 dated the 30th October '29

(A) In G.O.No.517 Misc., dated the 30th July 1928, - Government included Siruguppa in the list of unhealthy - (M) localities specified in paragraph 1 of G.O.No.778 Finance dated the 31st August 1923.

2. Two temporary loans clerks were deputed to work in the taluk office. Siruguppa, one from 5-5-1929 and the other from 2-6-1929 till 30th September 1929.

G.O. 547 Rev 29.6.29 - (J) + G.O. 1468 24.7.29 (E) (M)

3. According to the scale of allowances fixed under annexure to G.O.No.778 Finance dated the 31st August 1923, the

the unhealthy tract allowances were claimed for these temporary clerks. The Accountant General in his objection statement for the month of June 1929 has objected to the claim for want of specific sanction. A copy of his objection statement is herewith enclosed. The G.O. does not restrict the application of the provisions to permanent or acting clerks of permanent staff alone nor is there anything in the G.O. prohibiting the application of the concession to temporary establishments. Throughout their term of office, the clerks worked in the taluk office and their Head-quarters were therefore Siruguppa. I think therefore that any non-gazetted officer who is posted to work in Siruguppa is eligible for the unhealthy tracts allowances irrespective of the duration or nature of the post he holds. I request that the sanction of the Government may be obtained for the payment of the unhealthy tracts allowances to these clerks.

In the C.F. the Collector of Bellary and the Board of Rev recommend the grant to the two ~~clerks~~ temporary clerks employed in the Sirugappa taluk on loan work, of the allowance granted to officers stationed in unhealthy localities. Under para. 2 of G.O. No 778 Fin dt 31-8-1923, this allowance is not admissible to subordinates who are natives of or domiciled in such unhealthy localities. In the case now in question, neither the Collector nor the Board has reported whether the two temporary clerks who were working in the Sirugappa taluk were natives of Sirugappa or not. Information on this point may first be called for from the Board. A draft t.m. is submitted below.

Please see the Board's Reference in the C.F. and paragraphs 10 & 11 at pp 3 & 4 of the Manual of special pay and allowances. Vol I. With reference to paragraph 11(a) of the Manual, it is now reported that the two clerks employed in the Siruguppa taluk office are neither natives of — domiciled in that taluk. Under paragraph 10 of the Manual, the two clerks will be eligible for the special pay granted for service in unhealthy tracts. Paragraph 11(b) relates to cases where the specific

sanction of the Govt for the grant of the allowance (is required). The case of the two clerks in question does not belong to that class. It is not clear why the Accountant General requires the sanction of Govt for allowing special pay for the two additional clerks employed in the Srirangapatna taluk office. Vide AG's remarks in Col 5 of the statt at p 3 C F

With reference to the rules in the Manual of Special pay and allowances mentioned above, Finance may be consulted whether the sanction of Govt is required for granting special pay in this case. Revenue 23/11 B/29.7
